5. MEMBER MEETINGS.

5.1. Member Meeting. The Board, in its sole discretion, may convene a meeting of the Members of the Corporation at such time(s) and place(s) as the Board shall designate (each a "Member Meeting"). At the Member Meeting, Members shall vote solely and exclusively on such matters that have been properly submitted by the Board to the Members for a vote of Members at such meeting. The Board is not required to call a Member Meeting except as required by applicable law and no Member, except in its capacity as a Board Member, may call or organize any such meeting unless authorized in writing by the Board to do so. The Chairman will preside over all Member Meetings.

5.2. Notice of Meetings. Except as otherwise provided by law, written notice of each Member Meeting shall be given not less than ten (10) nor more than sixty (60) days before the date of the meeting to each Member in good standing as of the date of such notice. It shall not be necessary to notify any Member of any adjournment of less than thirty (30) days or the means of remote communication, if any, by which Members may be deemed to be present in person and vote at such adjourned Member Meeting, if the time and place of the adjourned meeting are announced at the meeting at which adjournment is taken. At the adjourned meeting, the Corporation may transact any business which might have been transacted at the original meeting.
- 5.5. Voting and Proxies. Each Member shall have one vote on all matters submitted for the vote of the Members by the Board. Each Member entitled to vote at a Member Meeting may vote in person or may authorize another Person or Persons to vote for such Member by written proxy executed or transmitted by the Member or such Member's authorized agent and delivered to the Secretary of the Corporation. No such proxy shall be voted or acted upon after three years from the date of its execution, unless the proxy expressly provides for a longer period. There shall be no cumulative voting. Notwithstanding anything contained herein to the contrary, only Class C Members will be entitled to vote on any matter described in Subsections 7.8.1-7.8.11 below.
- 5.6. Action at Meeting. When a quorum is present at any Member Meeting, the majority of the Members present and entitled to vote on a matter shall decide any matter to be voted upon by the Members at such meeting, except when a different vote is required by express provision of law, the Certificate, or these By-Laws.
- 5.7. Designated Representative. Each Member shall designate, in writing delivered to the Secretary of the Corporation, an individual to represent them and act on their behalf in Member Meetings.

6. BOARD OF DIRECTORS: COMPOSITION AND QUALIFICATION.

- 6.1. Powers. Subject to Sections 7.6-7.8 below, the property, affairs, business and general administration of the Corporation shall be managed by or under the direction of the Board. The Board shall possess all of the powers of the governing body of a not-for-profit membership corporation under the Delaware General Corporation Law. The Board shall determine policy of the Corporation and administer its application within the framework of the By-Laws, shall create Committees and dissolve them, shall, subject to the restrictions set forth below in Section 7.6 and 7.7 below, approve annual budgets and special disbursements, may retain an independent auditor to review the books of the Corporation annually and shall set the amounts of Energistics Dues in accordance with Section 7.7.1 below. In the event of a vacancy in the Board, the remaining Directors, except as otherwise provided by law, the Certificate of Incorporation or these By-Laws, may exercise the power of the full Board until the vacancy is filled.
- 6.2. Number and Qualification.
 - 6.2.1. Number. The number of Persons (each a "Director") who shall constitute the whole Board of the Corporation shall be fixed at five and will consist of: (i) one Class A Director, (ii) two Class B Directors, and (iii) two Class C Directors.

With the exception of the Class A Director, no employee of a Member (in each case a "Board Candidate") may be appointed if, within the previous three-year period ending on the prospective effective date of such appointment (i.e., the first day of the term of such Director), taking into account the provisions of Article 3 above, a Director served on the Board who was employed by the same employer as the Board Candidate being considered for such appointment.
- 6.2.2.4. No Successive Appointments by Same Member Company. In addition to the qualification requirements for Directors and the restrictions contained herein, no Director (an "Appointing Director") may appoint a Board Candidate to serve as a Director if such Appointing Director was themselves previously appointed as a Director by either (i) that Board Candidate' in their previous capacity as a Director, or (ii) by a Director who was employed by the same Member as such Board Candidate. It is the intention of this Subsection 6.2.2.4 to promote diverse representation on the Board from amongst the membership and discourage Members from restricting participation on the Board by passing a Director position back and forth from one Member to another through successive, alternating appointments.
- 6.2.2.5. Requirements Waived by Unanimous Consent. The provisions of Subsections 6.2.2.1 to 6.2.2.4 above may be waived with regard to individual Director appointments by the unanimous, written consent of all of the Directors.

The Class A Member will appoint (i) one Director (the "Class A Director") who must be an executive employee of the Class A Member, and (ii) two Directors (each a "Class B Director" and collectively the "Class B Directors") each of whom must be an employee of a different Class B Member or a Class C Member. Employees of Class C Members may be appointed as a Class B Director provided such appointment does not conflict with Section 6.2.2 above or any other provision of these By-Laws.
- 6.2.4. Appointment: Class C. Two employees of two different Class C Members (the "Class C Directors" or individually, each a "Class C Director") will be appointed as Directors. The initial Class C Directors (collectively, the "Initial Class C Directors") shall have been appointed by the Board subsequent to the adoption of these Bylaws but not later than December 31, 2021. The Initial Class C Directors will, subject to the restrictions contained herein, appoint their successors, and thereafter subsequent Class C Directors will also appoint their successors.
- 6.2.5. Restriction on Common Leadership. To ensure the ongoing independence of Energetics, no Board Candidate may be appointed as a Director if they currently serve on the OMC

 - 6.4.2.2. Failure of Class A Director to Appoint.  - 6.4.2.3. Selection Process. The Class A Director may, by such means as it deems reasonable and necessary, and with the advice of the Board, or any Committee thereof, and the OSDU Forum Members, will, in addition to the requirements of Section 6.4.4 below, establish a screening and selection process to provide the greatest number of highly qualified Board Candidates for the appointment of Class B Directors.

- 6.4.3.2. Failure of Class C Directors to Appoint. - 6.4.4. Form of Notice of Appointment. Any written notice delivering the appointment of a Director pursuant to this Section 6.4 must contain a summary of the qualifications of the prospective Director to be appointed and evidence such prospective Director meets the qualifications required by Section 6.2 above or such other requirements contained herein.
